**APPROVE MINUTES OF FEBRUARY 23, 2020 CANVASS BOARD MEETING FOR THE FEBRUARY 16, 2020
PRIMARY ELECTION : MOTION: (Henkel /Smith) to approve as presented. Carried.**

The Canvass Board reviewed results from each Barron County municipality for the April 6, 2021 Spring Election. Results for each municipality were examined and compared with the results that were reported to the County Clerk on election night. Issues as noted:

Town of Cedar Lake - hashmarkes were made for all votes cast - machine and hand count paper. Only hand count paper ballots should be hashmarked on the tally sheet. No way of verifying the correct results were reported without specifying how many were hand count and how many were on machine. Called the clerk who went to town hall to go through materials and reported back with the number of votes cast for each state level candidate in each manner. We were then able to verify that the results reported on Election Night were accurate.

Village of Turtle Lake - On Election Night, Gill was reported as 36. Machine and hand count paper ballots results totaled 46. Results changed to 46.

There was 1 adjustment needed in WEC's Canvass Reporting System. The results were verified in the Canvass Reporting System. The Canvass Board signed the certification for the April 6, 2021 Spring Election. Certification for the state races was then emailed and snail mailed to Wisconsin Elections Commission.

ADJOURNMENT by unanimous consent at 10:45 AM

Respectfully Submitted,
DeeAnn Cook, County Clerk
