

# Solid Waste Management Board Meeting

Tuesday, February 3, 2026 – 9:00 a.m.

Barron County Government Center – Room 2151

335 East Monroe Avenue - Barron, WI 54812

---

## AGENDA

1. Call to Order
2. Public Meeting Notification
3. Special Matters and Announcements (Non-Action Items)
4. Approve Agenda
5. Public Comment
6. Approve Minutes of January 13, 2026
7. Ordinance – Update Barron County Recycling Ordinance 2021-17
8. 2026 Financial Update
9. Staff Reports & Updates
  - a. Staffing Update
  - b. Final Disposition of Notice of Violation
10. Review Voucher Edit Lists
11. Suggestions for Future Agenda Items
12. Set Date for Next Meeting
13. Adjournment

**PLEASE CALL 715-537-6200 IF YOU ARE UNABLE TO ATTEND**

*Any person with a qualifying disability under the Americans with Disabilities Act and requires the meeting or materials at the meeting to be in an accessible format must contact the County Clerk's office at 715-537-6200 at least 24 hours prior to the meeting so that arrangements can be made to accommodate your request.*

# SOLID WASTE COMMITTEE MEETING

**Tuesday, January 13, 2026 – 9:00 a.m.**

Barron County Government Center – Room 2151  
335 East Monroe Avenue - Barron, WI 54812

## MINUTES

**Members Present:** Jim Gores, Bob Heil, Kevin Jacobson, Steve Johnson, Fran Langman, Louie Okey, Tim Ploetz, and Bill Schradle (Departed at 9:30AM).

**Absent:** Dan North and Bob Rogers.

**Others Present:** Finance Director Drury, Administrator French, County Clerk Hodek, Corporation Counsel Muench and County Board Chair Okey.

**Call Meeting to Order:** Chair Schradle called the meeting to order at 9:00AM.

**Public Meeting Notification:** County Clerk Hodek stated the County's compliance with Wisconsin Open Meeting Laws.

**Public Comment:** None at this time.

**Approve Agenda: Motion: (Ploetz/Gores)** to approve. Carried.

**Approve Minutes of October 7, 2025: Motion: (Langman/Gores)** to approve. Carried.

**2025 Financial Update:** Administrator French distributed and reviewed the documents for both the Waste to Energy and Recycling accounts.

- a. Waste to Energy
- b. Recycling

### Staff Reports & Updates

- a. **Staffing Update:** WTE Director Bohn gave a staffing update and answered questions from the Board. Discussion.

*Schradle departed the meeting at 9:30AM. Vice Chair Gores chaired the meeting after Chair Schradle departed.*

- b. **Xcel Energy, 5 Year Power Purchase Agreement (PPA):** The contract is complete with expected credits resulting in payments in 2027.
- c. **Stack Test Results:** Bohn explained the recent stack test results and continued work with the DNR. Current emissions are low and the unit is performing well.

PLEASE CALL 715-537-6200 IF YOU ARE UNABLE TO ATTEND

Any person who has a qualifying disability under the Americans with Disabilities Act and requires the meeting or materials at the meeting to be in an accessible format must contact the County Clerk's office at 715-537-6200 at least 24 hours prior to the meeting so that arrangements may be made to accommodate your request.

## SOLID WASTE COMMITTEE MEETING

Tuesday, January 13, 2026 – 9:00 a.m.

Barron County Government Center – Room 2151  
335 East Monroe Avenue - Barron, WI 54812

- d. **New Auburn Recycling:** There is no update to report but will reach out to the village to see if there is still interest after their contract with Waste Management expires.
- e. **Water Treatment Problems and Proposed Solutions:** Bohn is waiting on the estimate for the water treatment polisher.
- f. **Ash Disposal Agreement:** A five year contract has been signed with Republic Services.
- g. **Air Permit Extension:** The air permit expires in June and the application has been submitted for the new permit.

**Review Voucher Edit Lists:** No action taken.

### **Suggestions for Future Agenda Items:**

- a. Recycling Ordinance

**Set Next Meeting Date:** Tuesday, February 3, 2026 at 9:00AM.

**Request to Allow 80 Hours of Compensatory Time Earned to be Converted to the 457B Retirement Plan, as a Result of the Acid Gas Removal System Install, for the Plant Director, Assistant Plant Manager or Maintenance Supervisor, One-Time, Non-Precedent-Setting Conversion: Motion: (Langman/Heil)** to go into closed session pursuant to 19.85(c) to include: WTE Director Bohn, Administrator French, Corporation Counsel Muench and County Board Chair Okey. Carried.

*The remainder of the meeting minutes were taken by Administrator French.*

Motion to return to Open Session: Langman/Johnson. Carried.

Motion Jacobson/Johnson: To approve allowing 80 hours of earned compensatory time to be converted to the 457B retirement account for the Plant Manager and Assistant Plant Manager and/or Maintenance Supervisor, (two personnel only), this being a one-time non-precedent setting allowance. Carried.

Adjourn: Declared adjourned at 10.33am by Vice-Chair Gores

Respectfully Submitted,  
Jessica Hodek, Barron County Clerk

*Minutes are not official until approved by the Committee at the next meeting.*

PLEASE CALL 715-537-6200 IF YOU ARE UNABLE TO ATTEND

*Any person who has a qualifying disability under the Americans with Disabilities Act and requires the meeting or materials at the meeting to be in an accessible format must contact the County Clerk's office at 715-537-6200 at least 24 hours prior to the meeting so that arrangements may be made to accommodate your request.*

Barron County

# Waste to Energy & Recycling

Brent Bohn, Plant Director  
wastetoenergy@co.barron.wi.us

585 10 ½ Ave  
Almena, WI 54805  
Phone: 715-637-6890

Below is a summary of proposed changes to the Barron County Recycling Ordinance No. 2021-17. These changes will be submitted for approval by the Solid Waste Management Board at its general meeting on February 3, 2026, and by the County Board at its general meeting on March 16, 2025.

The proposed revisions are the result of a request from the Wisconsin Department of Natural Resources (DNR). An updated version of the ordinance, incorporating the Department's recommended changes—or alternative language approved by the Department—must be adopted and in effect no later than April 30, 2026.

The current ordinance was reviewed by the Waste to Energy Plant Director. Based on this review, the following changes are being requested to ensure compliance with DNR requirements.

#### 46-40 Definitions:

- All references to “SPI” changed to “resin” throughout the entire ordinance.
- 46-40.11 Added - *Non-residential facilities and properties include any location at which goods or services are provided or manufactured, including locations under construction, demolition, or remodeling, or used for special events such as fairs, festivals, sport venues, conferences, and exhibits.*
- 46-40, 12 Replaced with - *“Office paper” means a variety of high-grade printing and writing papers. This term does not include industrial process waste, newspaper, or packaging.*

46-45 Removed references to “manned recycling sites” throughout the entire ordinance.

#### 46-46 1.(a) Replaced with:

Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers, and at least one of the following shall be met:

- i. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
- ii. The ratio of trash container volume to recycling container volume is at most 2:1.
- iii. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.

- 46-31 Title.** Recycling Ordinance for Barron County, excluding the City and Town of Rice Lake.
- 46-32 Purpose.** The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in § 287.11, Wis. Stats., and Chapter NR 544, Wis. Administrative Code.
- 46-33 Statutory Authority.** This ordinance is adopted as authorized under § 287.09(3)(b), Wis. Stats., and the Barron County Solid Waste and Recycling Management Board.
- 46-34 Abrogation and Greater Restrictions.** It is not intended by this ordinance to repeal, abrogate, annul, impair, or interfere with any existing rules, regulations, ordinances, or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.
- 46-35 Interpretation.** In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.
- 46-36 Severability.** Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.
- 46-37 Applicability.** The requirements of this ordinance apply to all persons within the Barron County Responsible Unit area.
- 46-38 Administration.** The provisions of this ordinance shall be administered by the Barron County Solid Waste and Recycling Management Board. Interpretation of this ordinance on a day-to-day basis shall be delegated to the County Administrator and/or the Waste to Energy Plant Director.
- 46-39 Effective Date.** The provisions of this ordinance shall take effect on April 1, 2026.

**46-40 Definitions.** For the purpose of this ordinance:

- 1) "Bi-metal container" means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.
- 2) "Container board" means corrugated paperboard used in the manufacture of shipping containers and related products.
- 3) "Foam polystyrene packaging" means packaging made primarily from foam polystyrene that satisfies one of the following criteria:
  - (a) Is designed for serving food or beverages.
  - (b) Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
  - (c) Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.
- 4) "Glass Container" means a glass bottle, jar, or other packaging container used to contain a product that is the subject of a retail sale and does not include ceramic cups, dishes, ovenware, plate glass, safety and window glass, heat-resistant glass such as Pyrex, lead-based glass such as crystal, or TV tubes.
- 5) "HDPE" means high-density polyethylene, labeled by the resin code #2.
- 6) "LDPE" means low-density polyethylene, labeled by the resin code #4.
- 7) "Magazines" means magazines and other materials printed on similar paper.
- 8) "Major appliance" means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven, refrigerator, furnace, boiler, dehumidifier, water heater, or stove.
- 9) "Multiple-family dwelling" means a property containing five or more residential units, including those which are occupied seasonally.
- 10) "Newspaper" means a newspaper and other materials printed on newsprint.
- 11) "Non-residential facilities and properties" means commercial, retail, industrial, institutional, and government facilities and properties. Non-residential facilities and properties include any location at which goods or services are provided or manufactured, including locations under construction, demolition, or remodeling, or used for special events such as fairs, festivals, sports venues, conferences, and exhibits. This term does not include multiple-family dwellings.
- 12) "Office paper" means a variety of high-grade printing and writing papers. This term does not include industrial process waste, newspaper, or packaging.
- 13) "Other resins or multiple resins" means plastic resins labeled by the resin code # 7.
- 14) "Person" includes any individual, corporation, partnership, association, local government unit, as defined in § 66.0131(1)(a), Wis. Stats., state agency or authority, or federal agency.
- 15) "PETE" or "PET" means polyethylene terephthalate, labeled by the resin code # 1.
- 16) "Plastic container" means an individual, separate, rigid plastic bottle, can, jar, or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.
- 17) "Postconsumer waste" means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in § 291.01(7) Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in § 289.01(17), Wis. Stats.
- 18) "PP" means polypropylene, labeled by the resin code #5.
- 19) "PS" means polystyrene, labeled by the resin code #6.

20) "PVC" means polyvinyl chloride, labeled by the resin code #3.

21) "Recyclable materials" includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins; steel containers; waste tires; and bi-metal containers.

22) "Solid waste" has the meaning specified in § 289.01(33), Wis. Stats.

23) "Solid waste facility" has the meaning specified in § 289.01(35), Wis. Stats.

24) "Solid waste treatment" means any method, technique, or process which is designed to change the physical, chemical, or biological character or composition of solid waste. "Treatment" includes incineration.

25) "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage, or defect.

26) "Yard waste" means leaves, grass clippings, yard and garden debris, and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots, or shrubs with intact root balls.

27) "Recycling Drop Box" is a container provided for the collection of recyclables by the RU or any participant involved in the collection of recyclables within the RU. A drop box container is designed for the receiving and storage of recyclables prior to processing.

**46-41 Separation of Recyclable Materials.** Occupants of single family and 2 to 4-unit residences, multiple-family dwellings, and non-residential facilities and properties shall separate the following materials from post-consumer waste:

- 1) Lead-acid batteries
- 2) Major appliances
- 3) Waste oil
- 4) Yard waste
- 5) Aluminum containers
- 6) Bi-metal containers
- 7) Corrugated paper or other container board
- 8) Foam polystyrene packaging
- 9) Glass containers
- 10) Magazines
- 11) Newspaper
- 12) Office paper
- 13) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins
- 14) Steel containers
- 15) Waste tires

**46-42 Separation Requirements Exempted.** The separation requirements of § 46-41 do not apply to the following:

- 1) Occupants of single family and 2 to 4-unit residences, multiple-family dwellings, and non-residential facilities and properties that send their post-consumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in § 46-41 from solid waste in as pure a form as is technically feasible.
- 2) Solid waste which is burned as a supplement fuel at a facility if less than 30% of the heat

input to the facility is derived from the solid waste burned as supplement fuel.

- 3) A recyclable material specified in § 46-41(5) through (15) for which a variance has been granted by the Department of Natural Resources under § 287.11(2m), Wis. Stats., or § NR 544.14, Wis. Administrative Code.

**46-43 Care of Separated Recyclable Materials.** To the greatest extent practicable, the recyclable materials separated in accordance with § 46-41 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

**46-44 Management of Lead Acid Batteries, Major Appliances, Waste Oil, and Yard Waste.** Occupants of single family and 2 to 4-unit residences, multiple-family dwellings, and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:

- (a) Lead acid batteries shall be separated from the post-consumer waste stream. The Barron County Waste to Energy Facility accepts lead-acid batteries for recycling.
- (b) Major appliances shall be separated from the post-consumer waste stream. The Barron County Waste to Energy Facility accepts major appliances for recycling.
- (c) Waste oil shall be disposed of at the Barron County Highway Department in Barron on the west side of STH 25 by the fuel island. There are separate tanks for waste oil and antifreeze. It is very important to keep these materials separated. Once collected, these products will be recycled.
- (d) Yard waste shall be separated from the post-consumer waste stream. The Barron County Waste to Energy Facility accepts yard waste for composting.

**46-45 Preparation and Collection of Recyclable Materials.** Except as otherwise directed by the Barron County Solid Waste and Recycling management board, occupants of single family and 2 to 4-unit residences shall do the following for the preparation and collection of the separated materials specified in § 46-41(5) through (15). All plastic, tin, aluminum, and glass containers shall be placed into the receptacles loosely (not in plastic bags). All cardboard shall be flat/broken down in a size no larger than 2' x 2' (not tied with twine):

- 1) **Aluminum containers** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 2) **Bi-metal containers** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 3) **Corrugated paper or other container board** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 4) **Foam polystyrene packaging** shall be disposed of in the post-consumer waste stream. The Barron County Waste to Energy Facility will incinerate this waste stream for energy recovery.
- 5) **Glass containers** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 6) **Magazines** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.

- 7) **Newspaper** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 8) **Office paper** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 9) **Rigid plastic containers** shall be prepared and collected as follows:
  - (a) **Plastic containers made of PETE**, including soda and water bottles, shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
  - (b) **Plastic containers made of HDPE**, including detergent, shampoo, and butter tubs, shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
  - (c) **Plastic containers made of PVC** shall be disposed of in the postconsumer waste stream. The Barron County Waste to Energy Facility will incinerate this waste stream for energy recovery.
  - (d) **Plastic containers made of LDPE** shall be disposed of in the postconsumer waste stream. The Barron County Waste to Energy Facility will incinerate this waste stream for energy recovery.
  - (e) **Plastic containers made of PP** shall be separated from the postconsumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop off locations.
  - (f) **Plastic containers made of PS** shall be disposed of in the postconsumer waste stream. The Barron County Waste to Energy Facility will incinerate this waste stream for energy recovery.
  - (g) **Plastic containers made of other resins or multiple resins** shall be disposed of in the post-consumer waste stream. The Barron County Waste to Energy Facility will incinerate this waste stream for energy recovery.
- 10) **Steel containers** shall be separated from the post-consumer waste stream and recycled. The Barron County RU accepts these materials at the recycling drop-off locations.
- 11) **Waste tires** shall be disposed of at the Barron County Waste to Energy Facility or a qualified waste tire recycler. Barron County will recycle this waste stream or incinerate this waste stream for energy recovery.

#### **46-46 Responsibilities of Owners or Designated Agents of Multiple-Family Dwellings.**

- 1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in § 46-41(5) through (15):
  - (a) Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers, and at least one of the following shall be met:
    - I. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
    - II. The ratio of trash container volume to recycling container volume is at most 2:1.
    - III. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
  - (b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
  - (c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.

(d) Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

2) The requirements specified in § 46-46.1 do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in § 46-41(5) through (15) from solid waste in as pure a form as is technically feasible.

**46-47 Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.**

- 1) Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in § 46-41(5) through (15):
  - (a) Provide adequate, separate containers for the recycling program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.
  - (b) Notify in writing, at least semi-annually, all users, tenants, and occupants of the properties about the established recycling program.
  - (c) Provide for the collection of the materials separated from the solid waste by the users, tenants, and occupants and the delivery of the materials to a recycling facility.
  - (d) Notify users, tenants, and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations, and hours of operation, and a contact person or company, including a name, address, and telephone number.
- 2) The requirements specified in § 46-47.1 do not apply to the owners or designated agents of nonresidential facilities and properties if the post-consumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in § 46-41 (5) through (15) from solid waste in as pure a form as is technically feasible.

**46-48 Prohibitions on Disposal of Recyclable Materials Separated for Recycling.** No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in § 46-41 (5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

**46-49 Enforcement.**

- 1) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Barron County Solid Waste and Recycling Facility management board may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee, or authorized representative of the Barron County Solid Waste and Recycling Facility management board who requests access for purposes of inspection and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.
- 2) Any person who violates a provision of this ordinance may be issued a Summons and

Complaint by the office of Barron County Corporation Counsel to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

- 3) Penalties for violating this ordinance may be assessed as follows:
- (a) Any person who violates § 46-48 may be required to forfeit \$50 for a first violation, \$200 for a second violation, and not more than \$2000 for a third or subsequent violation.
  - (b) Any person who violates a provision of this ordinance, except § 46-48, may be required to forfeit not less than \$10 or more than \$1000 for each violation.

- 46-50 Reporting requirements for persons buying or receiving recyclable materials.** Any private vendor or purchaser operating within the Barron County Responsible Unit engaged in the buying of recyclable materials, or otherwise receiving such materials from individuals involved in private recycling, shall report quantities of recyclable materials collected and processed annually by February 1<sup>st</sup> to the Waste to Energy and Recycling Plant Director.
- 46-51 Anti-scavenging or unlawful removal of recyclables.** It is illegal for any person to take any recyclable material or materials which are segregated for recycling from a recycling drop box or container.
- 46-52 Unlawful disposal of non-recyclable material.** It is illegal for any person to dispose of a non-recyclable material in a recycling drop box or container.
