

Barron County Sheriff's Dept

2016 Six-Month Report

2016 has been a great year so far. We have had some very successful events already - the Meth Town Hall Meetings, use of the "Code Red" system assisting in apprehending a suspect from a chase and K-9 Chase apprehending a suspect we were looking for in a house. We had a large recovery of stolen merchandise tied to our meth issues in the area. We also had a safe prom and graduation season to start the summer so far. We hired Mike Judy as our Emergency Services Director and he has hit the ground running meeting with all EMS and Fire along with assisting with the "Active Shooter" training at Mayo Hospital. Our distracted driving simulator has also been very busy this year with all the area school driver's education classes along with all the PUSH, Monarch Paving and Mosaic employees. Our jail population remains down which gives us the option to house inmates from other counties.
