## Public Notification Alert- Potential COVID-19 Exposure

Barron County Public Health is alerting community members who may have been at risk for exposure to COVID-19. The potential exposure happened at the following locations during the dates and times listed.

- St Croix Casino
  - October 30<sup>th</sup> from 7:30 AM to 10:00 PM
  - October 31<sup>st</sup> from 10:00 AM to 8:15 PM
  - November 1<sup>st</sup> from 9:00 AM to 2:00 PM and 4:00 PM to 10:00 PM
- Jay Birds (Rice Lake)
  - October 31<sup>st</sup> from 11:00 PM to November 1<sup>st</sup> at 12:45 AM
- Mr. Bob's (Rice Lake)
  - November 1<sup>st</sup> from 12:45 AM to 2:00 AM (close)

If you were at any of these locations during dates and times listed AND you have any symptoms of COVID-19, please stay home and contact your doctor to be tested. Anyone who was at the locations during the dates and times listed, and is NOT experiencing symptoms should watch for any signs of illness for the next two weeks. If you start to feel sick or have any symptoms in the next 14 days, please stay home and contact your doctor to get tested.

Symptoms of COVID-19 include; cough, fever, sore throat, headache, body or muscle aches, chills, fatigue, diarrhea, vomiting, or new loss of taste or smell.

A public notification is issued is when someone that tested positive for COVID-19 was at a location while symptomatic but before test results were known, AND there is no way to identify all of the people they came into contact with. The potential exposure means that anyone that was there during the time frame may have been exposed. We issue an alert to let people know they may have been exposed and to look for others who may now be sick as well.

Appearing on this list does not mean the establishment did something wrong. It also does not mean the establishment should be closed. All establishments are contacted before being listed and are given guidance on how to reduce future risk to staff and customers.

Public Health is asking everyone's help to slow the spread of COVID-19 in Barron County. Any symptoms of illness or worsening of allergy symptoms, especially if allergies are not relieved by over the counter medications should be considered suspect COVID-19. Please stay home and contact your doctor to be tested.
