COVID-19 WEEKLY REPORT

COVID-19 Community Level

COVID-19 Community Levels are a new tool to help communities decide what prevention steps to take based on the latest data. Levels can be low, medium, or high and are determined by looking at **hospital beds being used, hospital admissions, and the total number of new COVID-19 cases** in an area. Take precautions to protect yourself and others from COVID-19 based on the COVID-19 Community Level in your area.

**These recommendations DO NOT APPLY IN HEALTHCARE SETTINGS such as hospitals and nursing homes.*

COVID-19 Community Level	You Should
LOW	<ul style="list-style-type: none"> Stay up to date with COVID-19 vaccines Get tested if you have symptoms
MEDIUM	<ul style="list-style-type: none"> Talk to your doctor about whether or not you need to wear a mask and take other precautions if you are at high risk for severe illness. Stay up to date with COVID-19 vaccines Get tested if you have symptoms
HIGH	<ul style="list-style-type: none"> Wear a mask indoors in public Stay up to date with COVID-19 vaccines Get tested if you have symptoms Take additional precautions as needed if you are at high risk for severe illness.
